

## Curriculum vitae

|                       |  |   |   |
|-----------------------|--|---|---|
| Full Name             |  <p style="text-align: right;"><b>Muntadher Khamees Assist. Prof. Dr.</b></p> |   |   |
| Date of Birth         | <b>3/9/1979</b>  |   |   |
| Social Status         | <b>Married</b>   |   |   |
| E-mail                | <a href="mailto:alkarawis@uodiyala.edu.iq">.edu.iqalkarawis@uodiyala</a>   |   |   |
| Mobile                | <b>07728081016</b>   |   |   |
| Academic Achievement  | <b>Ph.D</b>  |   |   |
| The scientific Title  | <b>Lecturer</b>  |   |   |
| Scientific Department | <b>Computer Science</b>  |   |   |
| BSC                   | <b>Computer Science (2003)</b>   | <b>College Sciences</b>                           | <b>University of Mustansiriyah</b>                    |
| Masters               | <b>Computer Science (2012)</b>   | <b>Informatics Institute</b>                      | <b>Gazi University</b>                                |
| PhD                   | <b>Computer Science (2009)</b>   | <b>Informatics Institute for Graduate Studies</b> | <b>Iraqi commission for computers and informatics</b> |
| Workplace             | <b>University of Diyala - College of Sciences</b>  |   |   |
| Research areas        | <b>Data Mining and Optimization, AI, Machine learning, Deep Learning, Control System</b>   |   |   |
| Research's            | Multi-objective feature selection: hybrid of salp swarm and simulated annealing approach   |   |   |
|                       | A real-time american sign language recognition system using convolutional neural network for real datasets   |   |   |
|                       | A new approach for features selection based on binary slap swarm   |   |   |
