

Curriculum Vitae

Personal information			
First name / Surname	Nihad Khaleel Ebrahim		
Nationality	Iraqi		
Date of birth	21- June - 1982		
Gender	Male	Marital Status	single
Desired employment / Occupational field	Lecturer in Diyala University/ College of Science/ Dept. Of Chemistry		
Date of Master Degree	28/ May/ 2014		
Date of Doctoral Degree			
Work experience	<p>1- March/ 2006- April/ 2007: employed at Diyala University- Science College- Chemistry Dept.</p> <p>2- April /2007 - September/ 2010: administrator of store chemicals material at diyala University- College of Science- Dept. of Geology.</p> <p>3- September/ 2010- September/ 2011: student of master degree at tikrit University- Science College/ Chemistry Dept.</p> <p>4- September/ 2014- September/ 2015: lacture at Diyala University- Science College/ Chemistry Dept.</p> <p>5- September/ 2015- September/ 2016: Administrator of scientific products of for Science College- Diyala University.</p> <p>6- December /2015- Feb. /2016: Deputy head of the department of chemistry for Science College- Diyala University.</p> <p>7- December /2016- Feb. /2017:Administrator of Scientific Promotions Division for Science College- Diyala University.</p>		

Name and address of employer	University of Diyala- College of Science- Dept. of Chemistry
Type of business or sector	Higher Education- Ministry of Higher Education and Scientific Research
Conferences	<ol style="list-style-type: none"> 1- 3rd scientific conference of the College of Science, University of Baghdad, 24- 26/ March/ 2009. 2- 10th International Conference on the Geology of the Arab World"GAW 10", Geology Dept.- Faculty of Science- Cairo University, 10- 12/ April/ 2010. 3- 2nd International Conference On Environmental Management, organized by Centre for Environment 25th- 28th/ Oct./ 2010, Hyderabad- India, IST, Jawaharlal Nehru Technological University Hyderabad, A.P., India. 4- International Conference on Iraqi Oil Studies, Baghdad University- Science College, Cooperation with Ministry of Oil- Iraq, Baghdad 20- 22 Dec. 2011. 5- International workshop on: LANDFILLS OF HAZARDOUS WASTE AND ITS IMPLICATIONS ON HEALTH AND ENVIRONMENT, 15- 17 Nov./ 2011 Luleå University- Sweden. 6- The Second Symposium on the Geological Resources in the Tethys Realm (5- 8/ January/ 2013, Cairo- Sharm El Sheikh, Egypt).
Education	<ol style="list-style-type: none"> 1- Oct. 2011- May 2014: M.Sc in chemistry from tikrit University/ college of Science/ Dept. of chemistry, Thesis title (Preparation and Identification of some isatine derivatives included chiff's bases , Mannich's bases and diazo derivatives). 2- 2000- 2005: B.Sc in chemistry from diyala University/ College of Science/ Dept. of chemistry. 3- 1997 – 2000: Mid School degree in Al-Markazia School ▪ .

Mother tongue(s)	Arabic Language					
Other language(s)	English and turkiman Language					
Self-assessment		Understanding		Speaking		Writing
European level (*)		Listening	Reading	Spoken interaction	Spoken production	
English Language		B2	C1	B2	B2	C1
French Language						
	(*) <u>Common European Framework of Reference for Languages</u>					
Computer skills and competences	Internet, Word, Exel, Access, Typing, Editing.					
Artistic skills and competences	Sport, Football, Basketball, Chess, Tennis, Singing, Swimming					
Annexes & Prizes	<p>1- Member of the Iraqi chemical Association.</p> <p>2- Training course on Lab. Equipments at Reading University, November/ 2011, Jordan.</p> <p>4- Chemical safety and security officer training, 15- 17 May 2012, University of Technology- IRAQ, Sponsored by the United States- Department of State.</p> <p>5- Certificate from the Summer School took place in joint Cooperation with Salahaddin University (Erbil- Iraq) as part of the DAAD funded German- Iraqi University partnership program organized by chemiscience Resources Iraq (GRI).</p>					

Publications	<p>1- Nihad, Kh., hassan, A. S., Al- kadumi, 2014: Preparation and Identification of some new isatin Schiff' No. 7, 51- 59.</p> <p>2 -Nihad, Kh. , Wassan B.Ali., WijdanAmerIbrahim., 2016: Synthesis of New Chalcones Derived from Isatin and Study its Biological Activity, (in Arabic).</p> <p>3 – Ahmed A.H.Al-kadhimi,Nuhad K.E.Al-azzawi,Abedawn I.KH.,2015:Facial synthesis of Schiff and mannich bases of isatin derivatives .JCBPS,No.3;2338-239.</p>
