OBJECTIVE

PhD. Microbiologist in biology Department College of science, Diyala University, Iraq

EDUCATION and qualifications certificates:

2014 PhD in microbiology from Tikrit University

Average degree 89.196%

Title of thesis: In Vitro Effects of Coliphage and Probiotic against Phenotypic and Genotypic Diarrheal E. coli in Children under Five Years

2007 M.Sc. in microbiology from Baghdad University

Average degree 85.73%

Title of thesis: Isolation & Identification of Poliovirus from Vaccinated Children with Oral poliovirus vaccine and Comparison With Wild Type

2003 B.Sc. in microbiology from Baghdad University

Ranked 4 out of 148 graduation students

Average 81.52%

Scientific title :

Assistant professor (9958 in 4/7/2018)

Lecturer (1564 in ٢٠١٤/١١/٢)

Assistant lecturer (4984 in ٢٠٠٨/٥/١١)

Work experience

Currently working as assistant professor in department of biology , the job responsibility include:

- 1- teaching students of B.Sc.and M.Sc.
- 2-guiding the projects for B.Sc.and M.Sc. tech. students
- 3- responsible on high research laboratory
- 4- member in examination committee and several other committee

Experimental experience

- 1- responsible on high research laboratory
- 2- supervising on soil and aquatic microbiology laboratory
- 3- supervising on virology laboratory
- 4- supervising on microbiology laboratory

Theoretical experience

- 1- teaching virology
- 2- teaching soil and aquatic microbiology

Published works

- 1- researches

Title	journal	Date
-------	---------	------

Bacteriolytic Activity of Coliphages on Diarrhea Associated <i>E. coli</i>	Journal of Natural Sciences Research	٢٠١٤
Isolation and characterization of enteroaggregative Escherichia coli among the causes of bacterial diarrhea in children	Tikrit Journal of Pure Science	٢٠١٥
Study Some Virulence Factors of CO- agulase Positive Staphylococci and CO-agulase Negative Staphylococci Isolated from Different Parts of Human Body	Tikrit Journal of Pure Science	٢٠١٥
Isolation and Characterization of PAP a Lytic Bacteriophage Specific for Pseudomonas aeruginosa	Diyala journal for pure science	٢٠١٦
Bioactivity of pyocyanin of Pseudomonas aeruginosa clinical isolates against a variety of human pathogenic bacteria and fungi species	The International Arabic Journal of Anti microbial Agents	2017
Bacteriolytic Activity study of Aerophage on Pseudomonas aeruginosa	Diyala Journal of Medicine	2017

2- book

Effect of coliphage and probiotic on phenotypic and genotypic E coli (2017)

Curriculum vitae

EMPLOYMENT

One year in Baghdad University, college of science, biology department as assistant biologist

2008- 2014 in tikrit university college of science, biology department as assistant lecturer

2014- until this time in diyala university college of science, biology department as assistant professor

SKILLS

Computer skills in Microsoft office

Language skills (Arabic as native and good in English(write and read))

Soft skills (work in groups)

Personal information

Date of birth: 21/ 2/ 1981

Nationality: Iraqi

Gender: female

Status: married
