Ministry of Higher Education And Scientific Research University of Diyala College of Science

Curriculum vitae

Full Name	Mhammed Alwan Kadhum	000	
Date of Birth	23/11/1974		
Social Status	Married		
E-mail	Alwanmohammed805@gmail.com		
Mobile	07723106310		
Academic Achievement	Masters		
The scientific Title	Assistant teacher		
Scientific Department	Physics Department		
BSC	Baghdad University/ College of Education	Year	1998
Masters	Diyala University / College of Science	Year	2021
PhD		Year	
Workplace	College of Science / University of Diyala		
Research areas			
Research s	Enhanced Optical Properties of Hybrid TiO2/Ag Nanoparticles Synthesized by Pulsed Laser Ablation in Liquids and their Biological Applications Structural and Fluorescence Properties of TiO2/Ag Nanoparticles Bilayers		
	Synthesis and Study of Optical Performance and Thermal Conductivity of PVA Polymers Reinforced Different Phases of Titanium Nanoparticles		
	+The Role of Nanotechnology in Improving the Growth of Maize P	lant Zea	mays L
