

Curriculum vitae

Full Name	Omar Dheyaa abdulstatar		
Date of Birth	1988		
Social Status	Married		
E-mail	boarmy21@gmail.com		
Mobile	07722050325		
Academic Achievement	Master		
The scientific Title	Lecturer		
Scientific Department	Chemistry		
BSC	Diyala University/ college of science	Year	2011
Masters	Luhansk Taras Shevchenko National University	Year	2013
PhD		Year	
Workplace	Department of Chemistry, College of Science, University of Diyala		
Research areas	Organic compound synthesis		
Research's	<p>Low Temperature Novel Photosynthesis Method and Characterization of ZnO/CuO Nano composi</p> <p>Ultrasonic Synthesis and Antimicrobial activity of some Diazenyl-1, 3, 4-Thiadizole Derivatives</p> <p>Synthesis and characterization of some azo dyes derived from 4-aminoacetophenone, 1, 4 phenylene diamine and studying its dyeing performance and antibacterial activity</p> <p>synthesis and antibacterial activity of some azo compounds</p> <p>Antifungal Activity of Boswellia serrata Gum Extracts on Antifungal Drugs Resistant Aspergillusfumigatus Isolated From Diyala Patients</p> <p>Role of Phase Extract of Leaves of Ziziphus Spina Christi In Inhibiting Free Radicals Manufactured and Some Microorganisms</p> <p>Determiation and Evaluation of Cadmium, Nickel, and Zinc in Agricultural Soils of Diyala</p> <p>Determiation of Loperamide HCl in Pharmaceutical Preparations using Modified Ion Selective Electrode</p> <p>Extract Leaves of Hibiscus Rosa-sinensis as Corrosion Inhibitor for Pure Al in Seawater</p>
