

Curriculum vitae

Full Name	Dheyab Salman Ibrahim		
Date of Birth	1969		
Social Status	Married		
E-mail	dr.dheyab@uodiyala.edu.iq		
Mobile	07728972205		
Academic Achievement	PhD		
The scientific Title	Assist. Prof.		
Scientific Department	Department of Computer Science		
BSC	Computer Science		
Masters	Computer Science		
PhD	Computer networks		
Workplace	University of Diyala/College of Science		
Research areas	Computer networks, Wireless networks, Wireless sensor networks, Network security.		
Research's	Challenges and Issues for Wireless Sensor Networks: A Survey		
	Hybrid Approach to Detect Spam Emails using Preventive and Curing Techniques		
	Wireless Network Slicing: A survey		
	Wireless Network Slicing: A survey		
	Routing Protocols for Energy Efficiency in WSNs: A Review		
	Optimizing LEACH Routing Protocols for WSN: An Analysis Study		
	Routing Protocols - based Clustering in WSNs		
	Selecting an Optimal Cluster Head using PSO Algorithm in WSNs		
	Selecting an Optimal Cluster Head using PSO Algorithm in WSNs		
Scientific expertise	Computer Network , WSNs , programming languages, Web design
