

Curriculum vitae

Full Name	Assist. Prof. Dr. Muntadher Khamees			
Date of Birth	3/9/1979			
Social Status	Married			
E-mail	alkarawis@uodiyala.edu.iq			
Mobile	07728081016			
Academic Achievement	Ph.D			
The scientific Title	Lecturer			
Scientific Department	Computer Science			
BSC	Computer Science (2003)	College Sciences	University of Mustansiriyah	
Masters	Computer Science (2012)	Informatics Institute	Gazi University	
PhD	Computer Science (2009)	Informatics Institute for Graduate Studies	Iraqi commission for computers and informatics	
Workplace	University of Diyala - College of Sciences			
Research areas	Data Mining and Optimization, AI, Machine learning, Deep Learning, Control System			
Research's	Multi-objective feature selection: hybrid of salp swarm and simulated annealing approach ...			
	A real-time american sign language recognition system using convolutional neural network for real datasets			
	<u>A new approach for features selection based on binary slap swarm algorithm.</u>			
	Hybrid SCA-CS optimization algorithm for feature selection in classification problems			
	<u>Adaptive tuning of PID controller using crow Search algorithm for DC motor</u>			
<u>A proposed Algorithm for Circle Detection Using Prewitt Edge Detection</u>
