

Curriculum vitae

Full Name	Zaid Abdulhadi Abed			
Date of Birth	3/8/1969			
Social Status	Married			
E-mail	zaidabdulhadi@uodiyala.edu.iq			
Mobile	07702042551			
Academic Achievement	M.SC			
The scientific Title	Teacher			
Scientific Department	Physics			
BSC	Bachelor's degree in sciences of physics, College of sciences, university of Mustansiriya - Baghdad, Iraq, 2004-2005. - The average of four academic years is (80.35% graduation average).	2000	2004	
Masters	Master's degree in physics .College of sciences and technology, central china normal university - Wuhan - China,	2013	2015	
Workplace	Dept. of Physics, College of Science, Diyala University, IRAQ			
Research areas	Different Techniques in Material Science and Thin Films Synthesis. Characterization Techniques (Raman, XRD, FTIR, UV-VISIBLE-NIR).			
Research's	<ol style="list-style-type: none"> 1. tudy of Radioactivity of Selected Samples of Soil in Amarah City, Maysan 2. Structural and optical characterization of nanostructured undoped CuO and CuO thin films 3. Absorption characteristics of composite materials reinforced by zinc oxide Kevlar fibres 4. Synthesis, Characteristics and Study the Photoluminscience of the CdSxSe1 Thin Film 5. Material Imaging Via X-RAY Emitted from laser produced plasma 6. Effects of Gamma Rays Irradiation on the Optical Properties of Mn Doped Obtained by Co-Precipitation Method 7. Development and study the effect of sintering temperature on stuctural of nanoparticles prepared by ceramic method 8. Gene Expression Probing in Live Cells, at Each Time One Protein Molecul 			

Curriculum vitae

Scientific expertise	1- I have research Paper in the Field of physics 2- Participation in authorship the book of nuclear physics - practical 3- I a good in applying the computer, concerning the following Programs: Windows - Word - Power point - Photoshop and Excel, in addition for having good practice for the internet Applications and all programming languages Other Information: * Participation in many of the international conferences and local * Participation in many scientific seminars * Thanks and appreciation from the dean of college * Financial rewards from dean of college.
