Professional summary

Creative and innovative with [15] years of experience in teaching general biology and microbiology in the country . Expert in data management and writing scientific article review .

Professional experience

Lecturer | Department of Biotechnology, College of Science ***2023 – Present***
• Deliver undergraduate and supervise practical laboratory sessions in specialized biotechnology courses.
• Mentor students in academic research, graduation projects, and experimental methodologies.
• Contribute to curriculum development, academic advising, and departmental quality assurance committees.
Lecturer. assistant | College of Veterinary Medicine ***2019 – 2023 (4 Years)***
• Taught theoretical and practical courses in **General Microbiology**, focusing on microbial physiology, pathogenesis, and diagnostic techniques.
• Supervised laboratory diagnostics, aseptic techniques, and microbiological culturing practices for veterinary students.
• Evaluated student academic performance through structured theoretical examinations and practical laboratory assessments.
Scientific Researcher / Specialist | Ministry of Science and Technology ***2012 – 2019 (7 Years)***
• Conducted applied scientific research and technical investigations within specialized laboratory environments.
• Collaborated on multidisciplinary research projects, data analysis, and the preparation of technical and scientific reports.
• Maintained compliance with laboratory safety standards, quality control protocols, and instrumentation calibration.
Adjunct Lecturer | Department of Biology, College of Science *1 Year (Prior to 2012)*
• Assisted in delivering foundational biological science courses and instructing undergraduate laboratory sessions.
• Supported faculty members in preparing instructional materials, grading assessments, and guiding students during practical experiments.

Education

Bachelor degree, [Diyala University], [Diyala], [Iraq]

September [2003] - June [2007]

General Biology

Master degree, [Department of Biology –college of Science, University of Baghdad- Iraq]

September [2011]General microbiology

Languages

English (Level C2)

Arabic (Mother language)

Skills

- Microsoft office
- Article Analytics, Article review, Article writing
- Lab-work
- Computer management, Data entry
